

DENR secretary visits 4th PH Environment Summit Exhibit

By: Journal Online

Green Convergence for Safe Food, Healthy Environment and Sustainable Economy presents an array of children's books pertaining to environmental protection to Department of Environment and Natural Resources (DENR) Secretary Antonia Loyzaga (left) during the 4th Philippine Environment Summit held in Tagaytay City on February 21-23. The exhibit showcased innovative programs, projects, and eco-friendly products from local government units, people's organizations, and the private sector.
